

HIMACHAL GANITA PARISHAD (HGP)
(REGISTERED UNDER H.P. SOCIETIES REGISTRATION ACT 2006)
is organizing

**3rd INTERNATIONAL CONFERENCE ON RECENT TRENDS IN
MATHEMATICAL SCIENCES (ICRTMS-2025)**
(Hybrid Mode)
Venue: Himachal Pradesh University, Shimla
(10th-11th MAY, 2025)

Objectives

The primary aim of this conference is to engage in insightful deliberations concerning the latest strides achieved in the realm of Mathematics and its interconnected domains. Here, researchers come together to showcase and explore their most recent research endeavors, fostering the exchange of novel ideas, addressing challenges, and nurturing the seeds of collaboration. As a nurturing ground for burgeoning talents, it spotlights the contributions of young researchers. Ultimately, the conference aspires to significantly enrich our collective understanding of the diverse scientific domains intertwined with the realm of Mathematics.

Call for Papers

The organizing committee of the conference is pleased to invite prospective authors to submit their original research papers which are not published or accepted or communicated for publication in any National/International journal or conference proceedings. Authors are required to fill the registration form and send their abstracts of the paper typed in MS-Word/Latex format in Times New Roman with 12 point font size to icrtms25hgp@gmail.com. The selected high-quality papers will be published in Scopus Indexed Inderscience journal "**International Journal of Mathematical Modelling and Numerical Optimisation**" as per the guidelines of the journal. The journal link is <http://www.inderscience.com/ijmmno> and "**Poincare Journal of Analysis and Applications**" whose link is <https://www.pjaa.poincarepublishers.com>

Area of research include (but not limited to)

Abstract Algebra and Number Theory, Linear Algebra and Matrix Analysis, Finite Fields and its Applications, Real, Complex and Functional Analysis, Numerical Analysis and Applications, Applied Mathematics, Operation Research, Differential Equations and Applications, Fractional Calculus, Fluid Dynamics, Solid Mechanics and related areas, Fuzzy Sets, Logic and Applications, Cryptography, Coding Theory and Networking Techniques, Fixed Point Theory, Control Theory and Approximation Theory, Probability, Statistics and Stochastic Processes, Financial and Industrial Mathematics, Mathematical Modelling, Simulation and Optimization Techniques, Fractals, Chaos and Dynamical Systems, Computational Mathematics and Techniques, Machine Learning and AI.

ABOUT HGP

Himachal Ganita Parishad (HGP) is the first organization of its kind which has been formed with the aim to improve the mathematical education at all levels, that is, School, College and University level. Keeping in view the said ideas, Himachal Ganita Parishad (HGP) is registered under the Himachal Pradesh Societies Registration Act 2006 vide number HPCD- 4754 dated 31st March, 2021. HGP is committed to improve the basic understanding and to develop the interest in Mathematics among the various levels of students of Himachal Pradesh by organizing Workshops, Seminars, Conferences and related activities at different places of Himachal Pradesh. HGP has planned different schemes to improve the basic understanding of Mathematics among the students along with the applications of Mathematics in Basic Sciences, Computer Sciences, Astronomy and Commerce etc. All the teachers of Mathematics from the Schools to the University level and any graduate in Mathematics may become a member of the Parishad and contribute for the Mathematical development of the students of Himachal Pradesh.
